Qualification & Experience

- Certified NLP Practitioner &Life Coach
- Certified Soft Skills Trainer/Mentor
- Certified Social Media & Technical tools Trainer.
- Certified IELTS trainer.

Qualification & Experience

- Masters in Industrial Psychology and 10 years' experience in Human resources and Training.
- Perusing certification for Emotional Intelligence Coach
- Perusing Certification in Career Counselling.

Expertise

- Soft Skills, Communication skills, leadership skills Employability Skills, Faculty Development, Corporate trainings , HR Trainings, Train the Trainer programs , Technical Training on Virtual tools.

Method of Trainings:

Class room Activities

- Online Lecture/Free Speech, Seminars, Demonstrations, Role Play Extempore, Group discussions, Movies & Videos, Mentoring and Discussion, Case Studies, On the Job trainings etc.

Virtual Technical Tools –

- Zoom, Kahoot, Mentimeter, Google Hangouts, Jam boards and lot more.
- During the sessions, training may happen but learning may not. To avoid this contradiction, I take up role of a learning facilitator by making interactive training sessions, customizing training programmes that meet client's requirements.
